"MURPHY'S LAWS" ON BUSINESS
Rev 10/01/2007

- 1. The first myth of management is that it exists.**
- 2. An employee will expand any job to fit the time allotted to it.**
- 3. In any hierarchy, each employee rises to his own level of incompetence, and then remains there.**
- 4. The opulence of the front office decor varies inversely with the fundamental solvency of the company.**
- 5. An expert is the one who knows more and more about less and less until he knows absolutely everything about nothing.**
