"MURPHY'S LAWS" ON TECHNOLOGY  
Rev 10/01/07

- 1. There is always one more bug.**
- 2. New systems generate new problems.**
- 3. Nothing ever gets built on schedule or within budget.**
- 4. We don't know one millionth of one percent about anything.**
- 5. A failure will not appear until the unit has passed final inspection.**
- 6. Any sufficient advanced technology is indistinguishable from magic.**
- 7. Technology is dominated by those who manage what they do not understand.**
- 8. Logic is the systematic method of coming to the wrong conclusion with confidence.**
- 9. Under the most rigorously controlled conditions of pressure, temperature, humidity, and other variables, the system will do as it damn well pleases.**
